## **Don't Forget Steven** P.D. Workman

He never told what went on behind closed doors. But this time, he can't remember.

Things never have been easy for Steven. He accepts that, and just makes the best of things. He might not have parents or a happy home. Or enough to eat most days. But at least he has a couple of loyal friends who stand by him and help out when they can. At least he has school, someplace he can go to escape the abuse.

But just when he thought things couldn't get much worse, they did.

Steven is accused of murder. But that isn't the worst part. The really bad part is not even knowing if he did it.

"" I couldn't stop reading

"" The chilling tale of domestic violence and Steven's struggle to overcome his traumatic experiences, "Don't Forget Steven" is a fast-paced, compelling read that keeps the reader on the edge from beginning to end

"" An interesting and insightful peek into Steven's life and what it is like to be abused... I really loved this book and would read it again.
