### Interactive Games and Quizzes

These Bible quizzes are interactive. Whenever you tap on an answer, the ebook will immediately let you know if the answer was correct or not. Correct answers are sent on to the next question. Incorrect answers may receive a hint and are then directed back to the question. In other words, you are directed back to the multiple choice questions until you get it correct.

Keep your own score at 2 points for each correct answer. Get 100% or maybe even 110% with the bonus questions. Great for **Team Competitions**.

Post your score in the **REVIEW** area.

Test **YOUR OWN** skills. All of the questions in this Christmas quiz are taken directly from the Bible. Most of them are taken from the accounts of Jesus' own disciples in the Gospels. We have also made an attempt to reference where you can find the answers in the Bible for further study.

Quizzes have long been used by teachers of all kinds as a learning tool. Students tend to see quizzes as a

testing tool because in the classroom they are usually graded on their answers. However, through the centuries, quizzes and catechisms have been used as an instructional tool to help people learn the basic facts.

## **Play It On Your iPad, Too!**

These interactive children's games and also work as interactive games on iPad, and also Galaxy, smart phone, tablet, computer, or almost any mobile device. You will only need to **download the *FREE Kindle Reading App from Amazon***. The Kindle Reading App allows you to read any ebook or emagazine that you have purchased in the Kindle Bookstore on Amazon . It also makes any tablet become an interactive games tablet. These books look best and appear in full color when you use them on a color ereader such as the Kindle Fire or iPad.

It is simple to use. These questions are multiple choice. Just read the question and TOUCH the answer that looks best to you (click on the answer if you are using a computer). If your answer is correct you will be congratulated and directed to the next question. If your answer is NOT correct, then you will be told it is not correct and directed back to the original question with a phrase like "Sorry. That was not right. Try again."
