*Thomas Paine*

**Rights of Man, Common Sense, and Other Political Writings (Oxford World's Classics)** Thomas Paine  
Thomas Paine was the first international revolutionary. His *Common Sense* (1776) was the most widely read pamphlet of the American Revolution--and his *Rights of Man* (1791-2), the most famous defense of the French Revolution, sent out a clarion call for revolution throughout the world. Paine paid the price for his principles: he was outlawed in Britain, narrowly escaped execution in France, and was vilified as an atheist and a Jacobin on his return to America.

This new edition contains the complete texts of both *Rights of Man* and *Common Sense*, as well as six other powerfully political writings--*American Crisis I*, *American Crisis XIII*, *Agrarian Justice*, *Letter to Jefferson*, *Letter Addressed to the Addressers on the Late Proclamation*, and *Dissertation on the First Principles of Government*--all of which illustrate why Paine's ideas still resonate in the modern welfare states of today.

**About the Series:** For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
