Sisterhood Is Forever: The Women's Anthology for a New Millennium

Sisterhood Is Forever: The Women's Anthology for a New Millennium

Thirty years after Robin Morgan's groundbreaking anthology, *Sisterhood Is Powerful* -- named by The American Librarians' Association one of "The 100 Most Influential Books of the Twentieth Century" -- comes this landmark new collection for the twenty-first century.

Sisterhood Is Forever -- with over 60 original essays Morgan commissioned from well-known feminist leaders plus energetic Gen X and Y activists -- is a composite mural of the female experience in America: where we've been, where we are, where we're going. The stunning scope of topics ranges from reproductive, health, and environmental issues to workplace inequities and the economics of women's unpaid labor; from globalization to the politics of aging; from cyberspace, violence against women, and electoral politics to spirituality, the law, the media, and academia. The deliberately audacious mix of contributors spans different generations, races, ethnicities, and sexual preferences: CEOs, housewives, rock stars, farmers, scientists, prostituted women, politicians, women in prison, firefighters, disability activists, artists, flight attendants, an army general, an astronaut, an anchorwoman, even a pair of teens who edit a girls' magazine. Each article celebrates the writer's personal voice -- her humor, passion, anger, and the integrity of her perspective -- while offering the latest data on women's status, political analysis, new "how-to" tools for activism, and visionary yet practical strategies for the future -- strategies needed now more than ever. Robin Morgan's own contributions are everything her readers expect: prophetic, powerfully argued, unsentimentally lyrical. From her introduction: "The book you hold in your hands is a tool for the future -- a future also in your hands."

Clara Williams:

Within this era which is the greater individual or who has ability to do something more are more special than other. Do you want to become one among it? It is just simple method to have that. What you need to do is just spending your time not very much but quite enough to have a look at some books. One of the books in the top collection in your reading list is actually Sisterhood Is Forever: The Women's Anthology for a New Millennium. This book that is certainly qualified as The Hungry Hillside can get you closer in growing to be precious person. By looking way up and review this publication you can get many advantages.

William Henderson:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says,

ways to reach Chinese's country. Therefore this Sisterhood Is Forever: The Women's Anthology for a New Millennium can make you really feel more interested to read.
