Station Eleven

Emily St John Mandel

Station Eleven Emily St John Mandel

The *New York Times* and *Globe and Mail*-bestselling, award-winning novel about art, fame and ambition set in the eerie days of civilization's collapse

One snowy night a famous Hollywood actor slumps over and dies onstage during a production of *King Lear*. Hours later, the world as we know it begins to dissolve. Moving back and forth in time—from the actor's early days as a film star to fifteen years in the future, when a theatre troupe known as the Travelling Symphony roams the wasteland of what remains—this suspenseful, elegiac, spellbinding novel charts the strange twists of fate that connect five people: the actor, the man who tried to save him, the actor's first wife, his oldest friend, and a young actress with the Travelling Symphony, caught in the crosshairs of a dangerous self-proclaimed prophet. Sometimes terrifying, sometimes tender, *Station Eleven* tells a story about the relationships that sustain us, the ephemeral nature of fame and the beauty of the world as we know it.
