A Note from the Author

Vending was one of the best jobs I ever had. It wasn't easy, but through careful scheduling I worked only three days a week and had plenty of free time and money. It's not passive income at first, but for the right person, it can be a wise investment.

On the other hand, I've seen many people fail. I wrote this book in part to educate more people like you so that you can have a real chance at the lifestyle you deserve.
