God is red Vine Deloria

First published in 1972, Vine Deloria Jr.'s *God Is Red* remains the seminal work on Native religious views, asking new questions about our species and our ultimate fate. Celebrating 3 decades in publication with a special 30th-anniversary edition, this classic work reminds us to learn "that we are a part of nature, not a transcendent species with no responsibilities to the natural world." It is time again to listen to Vine Deloria Jr.'s powerful voice, telling us about religious life that is independent from Christianity and that reveres the interconnectedness of all living things.
