After a stalker breaks into her home, internet entrepreneur Bee Langston decides Kelly Connolly is the only man who can help her--but seeking help from the former Marine isn't easy, especially after she made a spectacular fool of herself trying to kiss the sinfully sexy bodyguard.

When Kelly spots Bee weaving her way through the Houston nightclub where he's working security, all those feelings he's desperately tried to deny for his best friend's sister come flooding to the surface. He'll do anything to keep her safe, even if it means getting up close and personal with the one woman he simply can't have.

Soon, Bee's stalker isn't his only problem. His gambling addict father is tangled in a mess of debts to two of Houston's toughest loan sharks. With the family gym on the line, there's only one way for Kelly to make everything right. He agrees to fight for the Albanian mob in an underground bare-knuckle tournament.

But winning the tournament and saving his family's legacy comes at a high price--one that just might cost Bee her life.
