Learning With Professionals: Selected Works from the Joint Military Intelligence College Joint Military Intelligence College

Learning With Professionals: Selected Works from the Joint Military Intelligence College is a collection of writings by present or former faculty and students at the Joint Military Intelligence College. The purpose of the book is to provide an academic resource for students, teachers, and practitioners of intelligence. The growth of the field as an academic discipline has been accompanied by a growth in its body of literature, and some of the most significant writings have come from a center of excellence in the field, the Joint Military Intelligence College. Those presented here represent a cross section of subdisciplines, some with a very timely element, some timeless. This product has been reviewed by senior experts from academia and government, and has been approved for unrestricted distribution by the Directorate for Freedom of Information and Security Review, Washington Headquarters Services, Department of Defense.
