Enhancing Sustainability Campuswide: New Directions for Student Services, Number 137

“Do what you can, with what you have, where you are.” Many student affairs divisions are doing just that, leading the way in sustainability education by providing students with the knowledge they need to make a positive impact in their personal, civic, and professional lives.

This sourcebook provides a primer on how to best organize specific programs and services as well as overall campus operations to address the critical challenge of sustainability. Presenting research, operational approaches, and personal insights, the authors enable readers to develop successful programs and services. Practical in nature, the content can be adapted into existing or developing programs for a seamless integration of sustainability into everyday campus life.

This is the 137th volume of this Jossey-Bass higher education quarterly series. An indispensable resource for vice presidents of student affairs, deans of students, student counselors, and other student services professionals, *New Directions for Student Services* offers guidelines and programs for aiding students in their total development: emotional, social, physical, and intellectual.
