Developed Specifically to Match the New Florida Standards Assessments (FSA)

- Covers all the skills assessed on the new Florida Standards Assessments
- Provides practice completing all the question types found on the test, including multiple choice, multi-select, equation response, table response, and graphic response
- More rigorous questions prepare students for the higher difficulty of the new assessments
- Full answer key lists the Mathematics Florida Standard (MAFS) assessed by each question

Key Benefits of this Workbook

- Builds confidence by helping students prepare before taking the real test
- Develops all the mathematics skills that students need
- Provides experience answering all types of questions
- Helps students know what to expect when taking the real FSA tests
- Reduces test anxiety by allowing low-stress practice
- More rigorous tasks prepare students for the new assessments
- Detailed answer key allows missing skills to be identified

About the Florida Standards Assessment

In 2014, Florida introduced a new state test to replace the FCAT 2.0. The new test is the Florida Standards Assessment (FSA) and is developed by the American Institutes for Research (AIR). Students first took the test at the end of the 2014-2015 school year, and will take the test again at the end of the 2015-2016 school year. This practice test book will prepare students for this test.
