Last Summer Craig Higginson

It is summer in Stratford-upon-Avon. Thomas is a young theatre director at the Royal Shakespeare Company who is desperately in love with Lucy, the leading actress in a production of *The Tempest*.

Their experiences are woven into the life of a theatre presided over by Harry, an ageing South African exile who becomes caught up in a history he sought to escape.

Hilarious and deeply affecting by turn, Thomas's account is compelling in its lyricism, eccentricity and energetic attachment to life. Through him, we get to meet a colourful cast of characters and live through the gripping events of an ill-fated summer in Stratford.
