## **Speculum of the Other Woman (Chinese Edition)** Luce Irigaray

This book is a highly theoretical and scientific work. The book consists of three parts of a total of 36 chapters. With the aid of speculum the author reveals Phallogentrism and the logic of identity in the traditional philosophy so that women are liberated from the male-standard logic of liberation and no longer taken as ""the others"". It is Luce Irigarays purpose to rediscover and establish the subject identity of the women.
