## **The Hunger Games (The Hunger Games, Book 1)** Suzanne Collins

Could you survive on your own, in the wild, with everyone out to make sure you don't live to see the morning?

In the ruins of a place once known as North America lies the nation of Panem, a shining Capitol surrounded by twelve outlying districts. The Capitol is harsh and cruel and keeps the districts in line by forcing them all to send one boy and one girl between the ages of twelve and eighteen to participate in the annual Hunger Games, a fight to the death on live TV. Sixteen-year-old Katniss Everdeen, who lives alone with her mother and younger sister, regards it as a death sentence when she is forced to represent her district in the Games. But Katniss has been close to dead before - and survival, for her, is second nature. Without really meaning to, she becomes a contender. But if she is to win, she will have to start making choices that weigh survival against humanity and life against love.

New York Times bestselling author Suzanne Collins delivers equal parts suspense and philosophy, adventure and romance, in this searing novel set in a future with unsettling parallels to our present.

### From reader reviews:

#### Frances Lawler:

As people who live in often the modest era should be change about what going on or data even knowledge to make them keep up with the era which is always change and make progress. Some of you maybe may update themselves by examining books. It is a good choice for yourself but the problems coming to an individual is you don't know what one you should start with. This The Hunger Games (The Hunger Games, Book 1) is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

#### Daniel Miller:

The reason? Because this The Hunger Games (The Hunger Games, Book 1) is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will zap you with the secret the idea inside. Reading this book beside it was fantastic author who also write the book in such incredible way makes the content inside easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking technique. So , still want to postpone having that book? If I had been you I will go to the book store hurriedly.

#### William Bellard:

Reading a book to be new life style in this calendar year; every people loves to go through a book. When you examine a book you can get a lot of benefit. When you read books, you can improve your knowledge, because book has a lot of information on it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your review, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, such us novel, comics, as well as soon. The The Hunger Games (The Hunger Games, Book 1) will give you a new experience in studying a book.

#### Bernice Mignone:

Many people spending their time frame by playing outside using friends, fun activity having family or just watching TV 24 hours a day. You can have new activity to spend your whole day by reading a book. Ugh, do you consider reading a book can actually hard because you have to take the book everywhere? It okay you can have the e-book, getting everywhere you want in your Mobile phone. Like The Hunger Games (The Hunger Games, Book 1) which is getting the e-book version. So , try out this book? Let's observe.
