Gerald Patton:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated.
