For curvy college student, Maria Martinez, she's worried her **hyper-active sex drive** is a problem worth seeking professional advice. Anytime anything even slightly suggestive comes across her senses, she needs to release, and she needs to release STAT!

So when she's finally diagnosed with a rare condition known as hyper-ecstasy, she's terrified her sex life will be put on the skids. Unable to accept her misfortunate, she seeks out the advice of two specialists for a second opinion.

And it's a good thing she did, because she's shocked to learn she doesn't have a problem at all. In fact, the *only thing she needs to rein in her burgeoning sex drive* is to **have two men take her hard, fast and without protection.**

Fortunately for her, she doesn't have to look far to find them, because her two sexy doctors are more than willing to help "treat" her extraordinary condition.

But can the three of them keep things on a professional level? *Or will the cure end up being naughtier than the ailment itself?*
