"A history? No. A story, really. A tale from the dark side. In this book, hip hop is all. It's always there. Like hip hop, this book is about the intense kind of aspiration that comes from having little. About holding and rhyming into a microphone. Mixing and scratching. Guns pain blood. Desire desperation truth true love. Art and mystery and metaphor. The singularity of voice. The magnificence of ingenious sampling. The glory of a beat. This book is that story."

-- From the Preface by Danyel Smith, editor-in-chief of VIBE, the voice of the hip hop generation, presents the essence of hip hop.
