**Touched By Angels: True Cases of Close Encounters of the Celestial Kind (Real Life Encounters with Angels) [2 Audio Cassettes/3 Hrs.]** Eileen Elias Freeman

(2 Audio Cassettes) The author details real-life encounters with angels in Touched by Angels. She presents stories of a man whose marriage was ruined until an angel intervened; of a hiker falling from a cliff, only to be caught in the comforting arms of her angels; and of a fearful little girl whose life was changed in a single moment. As Freeman assures us, such close encounters are a gentle promise that we are in the care of a guardian angel who leads us toward love and away from fear and hate. although angels have fascinated mankind since time begun, Touched By Angels is the first book entirely devoted to personal encounters with these celestial beings.
