The stock market has developed a reputation among the people of the world as a mystical entity. It has become a realm with the top closed in on Wall Street with a circle of seemingly impenetrable suits even though the reality is that anyone can become an investor. Although the average Joe might be at an immediate disadvantage in terms of safety funds and insider knowledge on the best deals and short term fluctuations of a stock, there are most definitely options such as mutual funds like index funds that are easy to use and relatively safe in comparison to filling a portfolio with a narrow range of risky securities. Warren Buffett is known today as a massively successful entrepreneur and investor. However, all successful people had to make their way from the beginning, Warren Buffett included. It is often both inspiring and a key to understanding to look at a successful person's journey to success, and so in this book I cover Warren Buffett's success story, the Warren Buffett Way, his portfolio and stocks, quotes, and tips. I hope that with this book, you will not only learn to be a smart investor, but become successful in more ways than one while gaining insight into the business world as a whole. Specific topics covered in this book include: - Warren Buffett's Road to Success - The Warren Buffett Way - The Warren Buffett Portfolio - The Warren Buffett Stocks - Motivational Warren Buffett Quotes - Final Warren Buffett Investing Tips
