Collide: Book One in the Collide Series Gail McHugh

Her mind tried to fight a bloody battle against what her body already knew. She wanted him, and she wanted him badly.

On the heels of her college graduation and the unexpected death of her mother, Emily Cooper moves to New York City to join her boyfriend for a fresh start. Dillon Parker has been sweet, thoughtful, and generous through Emily's loss, and she can't imagine her life without him—even as her inner voice tells her to go slow.

Then she meets Gavin Blake. A rich and notorious playboy, Gavin is dangerously sexy and charming as hell. Their first encounter is brief, but it's enough to inflame Emily's senses. When their paths cross again through an unexpected mutual acquaintance, she tries to deny the connection she feels, but Mr. Tall, Dark, and Handsome won't let go so easily.

As she discovers Gavin's pain-filled past, and Dillon's true nature begins to surface, Emily knows she must take action or risk destroying everyone—including herself. But how can she choose when she can't trust her own heart?

From reader reviews:

James Benavidez:

In this 21st millennium, people become competitive in most way. By being competitive currently, people have do something to make them survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that at times many people have underestimated that for a while is reading. Yes, by reading a book your ability to survive boost then having chance to stand up than other is high. To suit your needs who want to start reading any book, we give you this kind of Collide: Book One in the Collide Series book as starter and daily reading guide. Why, because this book is usually more than just a book.

David Briggs:

Do you certainly one of people who can't read pleasurable if the sentence chained in the straightway, hold on guys that aren't like that. This Collide: Book One in the Collide Series book is readable by you who hate the straight word style. You will find the data here are arrange for enjoyable reading through experience without leaving perhaps decrease the knowledge that want to give to you. The writer connected with Collide: Book One in the Collide Series content conveys the idea easily to understand by many people. The printed and e-book are not different in the information but it just different by means of it. So , do you continue to thinking Collide: Book One in the Collide Series is not loveable to be your top checklist reading book?

Patricia Carter:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want send more knowledge just go with education and learning books but if you want experience happy read one together with theme for entertaining like comic or novel. Typically the Collide: Book One in the Collide Series is kind of reserve which is giving the reader erratic experience.

Erik Figaro:

The reason? Because this Collide: Book One in the Collide Series is an unordinary book that the inside of the book waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book adjacent to it was fantastic author who have write the book in such awesome way makes the content on the inside easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of advantages than the other book possess such as help improving your expertise and your critical thinking technique. So , still want to hold up having that book? If I were you I will go to the reserve store hurriedly.
