From the moment Lady Felicity Melville spies the adventurous scoundrel climbing from a neighbor's window—with his comely conquest's husband in hot pursuit—she knows Nigel is the answer to her prayers . . . with a little reformation, of course! Felicity craves excitement and who in all of London is more exciting than the infamous Mr. Cavendish? So what's a girl to do but hatch a scheme to win what she so fervently desires. But her plan works too well when a game of chance and an errant pistol shot abruptly make them husband and wife—but in a way neither wanted.

Now Felicity has to prove to her wayward husband that she's the only woman he could ever want . . . or need!
