Citizen Vince: A Novel Jess Walter

One day you know more dead people than live ones...

Jess Walter is a writer with a rare talent for finding humanity and emotional truths in lives lived on both sides of the law. With his third novel, *Citizen Vince*, Walter has crafted a story as inventive as it is suspenseful -- an irresistible tale about the price of freedom and the mystery of salvation.

It's the fall of 1980, eight days before a presidential election that pits the downtrodden Jimmy Carter against the suspiciously sunny Ronald Reagan ("Are you better off than you were four years ago?"). In a quiet house in Spokane, Washington, Vince Camden wakes up at 1:59 a.m., pockets his weekly stash of stolen credit cards, and drops in on an all-night poker game with his low-life friends on his way to his witness-protection job dusting crullers at Donut Make You Hungry. This is the sum of Vince's new life: donuts, forged credit cards, marijuana smuggled in jars of volcanic ash, and a neurotic hooker girlfriend who dreams of being a real estate agent.

But when a familiar face shows up in town, Vince realizes that no matter how far you think you've run from your past . . . it's always close behind you. Over the course of the next unforgettable week, on the run from Spokane to New York's Lower East Side, Vince Camden will negotiate a maze of obsessive cops, eager politicians, and emerging mobsters, only to find that redemption might just exist in -- of all places -- a voting booth.

Darkly funny and surprisingly hopeful, *Citizen Vince* is the story of a charming crook chasing the biggest score of his life: a second chance.

From reader reviews:

Ettie Hardcastle:

Information is provisions for individuals to get better life, information currently can get by anyone with everywhere. The information can be a information or any news even a problem. What people must be consider when those information which is within the former life are challenging be find than now's taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you have the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take Citizen Vince: A Novel as your daily resource information.

Lucy Broussard:

Your reading sixth sense will not betray a person, why because this Citizen Vince: A Novel publication written by well-known writer whose to say well how to make book that can be understand by anyone who also read the book. Written throughout good manner for you, leaking every ideas and publishing skill only for eliminate your personal hunger then you still uncertainty Citizen Vince: A Novel as good book not simply by the cover but also from the content. This is one guide that can break don't ascertain book by its handle, so do you still needing yet another sixth sense to pick this particular!? Oh come on your looking at sixth sense already alerted you so why you have to listening to an additional sixth sense.

Pandora Rice:

This Citizen Vince: A Novel is great reserve for you because the content that is full of information for you who always deal with world and still have to make decision every minute. This specific book reveal it info accurately using great coordinate word or we can point out no rambling sentences included. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but difficult core information with splendid delivering sentences. Having Citizen Vince: A Novel in your hand like obtaining the world in your arm, details in it is not ridiculous one. We can say that no reserve that offer you world inside ten or fifteen tiny right but this guide already do that. So , this really is good reading book. Hey Mr. and Mrs. occupied do you still doubt which?

Wm Dunlap:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's heart or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Citizen Vince: A Novel can make you feel more interested to read.
