Eric Rohmer: Realist and Moralist (A Midland Book)

Colin Crisp

Eric Rohmer: Realist and Moralist (A Midland Book) Colin Crisp

Here, for the first time in English, is a comprehensive analysis of Eric Rohmer's work. Rohmer, an enormously influential figure in shaping postwar realist film theory, and later in the development of the French New Wave, has been largely ignored in film studies, while others of the New Wave movements such as Truffaut and Godard have received considerable attention. In *Eric Rohmer: Realist and Moralist*, Crisp thoroughly examines Rohmer's films, performing structuralist, psychoanalytical, and ideological analyses of each. He further evaluates the connections between these films and Rohmer's realist film theory. Finally, Crisp's impressive study situates Rohmer's work ideologically within the historical context of French cinema after World War II, and gives due recognition to the achievements of this director within the realms of film theory and filmmaking.
