Look and Find: Green Lantern enables children to join Hal Jordan on a look-and-find adventure based on the popular DC Comics character. Designed for children ages 4 and older, the book tells the story of how Jordan, a former test pilot, becomes a member of the Green Lantern Corps. Children search eight colorful, action-packed scenes for dozens of hidden Green Lantern characters and items.

The eight scenes in Look and Find: Green Lantern prompt children to find these items:

Search Arden Airfield for Hal Jordan and other workers.

Search an alien ship to find the superhero gear the Green Lantern needs.

Find other Lanterns on the planet Oa.

Look for Lanterns training on Ringslingin 101.

Hunt for sharks, pinching crabs, harpoons, and other constructs in an underwater scene.

Find fellow Lanterns in an outerspace battle against Sinestro and the Yellow Lanterns.

Scour Coast City for deadly robots called Manhunters.

Find the Lanterns who have sworn to protect the universe in an outer space crowd.

A section at the back of the book challenges children to find dozens of additional items. The book's hardcover binding stands up to repeated use.
