Are you a nurse who loves our wonderful profession?

Did you go into nursing hoping to love it, but now feel yourself edging towards burnout and compassion fatigue?

Or are you just having 'one of those days' and need a heartwarming story or two to remind yourself why you got into nursing in the first place?

Allie Wilson is a Registered Nurse who burnt out herself, so she understands how nurses and nursing students often need a dose of inspiration. So when she puts together her monthly magazine, Wellbeing for Nurses, she makes sure it includes a great does of inspiring stories to give nurses the lift we all sometimes need.

'The best stories from the first six issues of Wellbeing for Nurses Magazine'

These quotes and stories are the best of those sent in to Wellbeing for Nurses Magazine, which is published in over 150 countries around the globe. Reading all the experiences they offer makes you realise we are all part of the one, big nursing family.

'Real stories from real nurses.'

From stories about a son saying goodbye to his mother for the last time, to words patients have said that have lasted in the heart for a lifetime, these stories will inspire and energize any nurse.

'Nurses are always busy.'

Sadly the average nurse or student nurse rarely has time to sit down with a nice, quiet cuppa (or a glass of red!) and read anything, let alone books on nursing. So unlike the massive medical books you had to lug to nursing school, this book is in short, easy to read snippets so you can dip in and dip out when you're on the bus or train, or you squeeze in a break.

'About The Authors'

Allie Wilson is an ER nurse turned Author and editor of Wellbeing for Nurses Magazine, and her hubby, Marty Wilson is a Pharmacist turned Stand Up Comic turned Author. They live in Sydney, Australia with their three boys.
