The 'Message' herein may be said to apply generally to the Christianized western world, the phraseology being for the English speaking people and quotations made terms of the Christian Bible.

The teachings given is not however limited to Christians or the Christian Revelations, but may be applied equally to Brahmanism, Buddhism, Mohammedism (Muslims), or any of the hundred and one pathways which mankind travels in search of his Creator.

In other words, this 'Message' is Universal in its application.

Therefore when the term 'God' is used, it may be interperated as meaning Creator, the All Light, the Everpresent, or any other Name which may express one's conception of the All Highest Creator, Who is within all, above all, and over all, doing by virtue of His Presence.

The scribe of this message claims no authority for the contents therein. It is offered to the world for the instruction of humanity, and the response that it may bring within the soul of the reader.

In order to better comprehend the deep and vital truths contained within the 'Message', you are urged to approach each reading of it with a quiet and open mind. Still the intellect and invite your Soul to do the teaching. Read but a sentence at a time, and do not pass to the next until something within you responds to the truth therein, and points out clearly the meaning to you.

More than all, try to realize that the "I" speaking throughout the Message is the Spirit within, - your own soul, the Impersonal Self, the Real You; the same Self that in other moments of quiet, points out to you, your mistakes, your follies, your weaknesses, and is ever chiding and aiding you to live up to Its ideals, which it continually holds before your mental gaze.

It was to such a quiet mind as this that the within Message came during months filled with intense yearning for the guidance of the Spirit and an opportunity to serve the Loving Father who had been found to be present in all places and always ready to bless those of His Children who loved Him enough to make Him first in their hearts and lives.

The help and guidance thus received is passed on to you, for the wise and loving teaching is so unusual and so wholly Impersonal that it will apply equally well to everyone who is ready to receive it.

The great blessing of the Message is that, if you are ready, the "I" speaking herein will continue to speak directly to you from out of your own heart, after that lay aside the book, and in so intimate and convincing a way that will make it clear all your problems be to you a fount of Wisdom and Strength, and bring you Peace, Health, Happiness, Freedom, and an abundance of everything your heart desires.

This little book, therefore, is intended to serve as a channel or open door through which you may enter into the joy of your Lord, as promised by the various Revelations given to humanity from time to time down through the Ages.

The Message will appeal to those seekers of Truth who require a 'logical' approach to the discovery of Man's true relationship to his Creator.
