Paul Berman

A Tale of Two Utopias: The Political Journey of the Generation of 1968 Paul Berman

"A deeply moving and delightfully readable account of the political journey [Berman's] generation has taken."?Isaac Kramnick, *New York Observer*

The ideological passions that, along with critical acclaim, greeted the publication of Paul Berman's *A Tale of Two Utopias* showed how persistent are some of the battle lines drawn in the tumultuous years around 1968.

A Tale of Two Utopias recounts "in clean, clear, often funny style" (*Washington Post*) four episodes in the history of a generation: the worldwide student radicalism of the years around 1968; the birth of gay liberation and modern identity politics; the anti-Communist trajectory of the '68ers in the Eastern bloc; and the ideals and self-criticism of thinkers in America and in France who lived through these events and debated their meaning.

Praised for both "sheer intellectual high-spiritedness" (*Houston Chronicle*) and "the same sensitivity to the moral needs of the participants, and the same lucid evaluative balance, as Edmund Wilson's accounts of earlier periods" (philosopher Richard Rorty), *A Tale of Two Utopias* firmly establishes Berman as "one of America's leading social critics" (*New Leader*) and "one of our most gifted essayists" (*Boston Globe*).
