**Melissa Gusman:**

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Group Theory and Chemistry (Dover Books on Chemistry) Una Rev Edition by David M. Bishop published by Dover Publications (1993) can make you feel more interested to read.

**Robert Lyman:**

Reading a e-book make you to get more knowledge from this. You can take knowledge and information from your book. Book is composed or printed or descriptive from each source that will filled update of news. In this particular modern era like at this point, many ways to get information are available for you actually. From media social such as newspaper, magazines, science book, encyclopedia, reference book, fresh and

comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book?
