What's worse than having to watch your sister marry your ex-fiancé? How about when that fiancé fires you from the family business?

Hyper-organized, event planner, Jaya Trudeau is used to doing things by the book and never making waves. It's a strategy that's served her well until she finds herself in failure alley with no fiancé, no job and her thirtieth birthday looming. Maybe it's time to change her methods. Starting with an unlikely date to the wedding from hell.

The only thing that can tie carefree, playboy, Alec Danthers down is his formidable step mother. When she calls him home to help find his wayward brother, he never imagines an uptight, list making, sass-talking woman would make him think about putting down roots.

Can Jaya put the lists down long enough to enjoy the ride that is Alec? Will Alec stop running long enough to recognize true love?

Warning: Sexy, sass talking women will make you laugh, cry and want a pair of killer footwear.
