Emile Zola

The Belly of Paris (also known as: The Fat and The Thin) Emile Zola

This carefully crafted ebook: “The Belly of Paris (also known as: The Fat and The Thin)” is formatted for your eReader with a functional and detailed table of contents.

The Belly of Paris (*Le Ventre de Paris*) is the third novel in Émile Zola's twenty-volume series *Les Rougon-Macquart*, first published in 1873. It is a novel of the teeming life which surrounds the great central markets of Paris. The book was originally translated into English by Henry Vizetelly and published in 1888 under the title *Fat and Thin*. After Vizetelly's imprisonment for obscene libel the novel was one of those revised and expurgated by his son, Ernest Alfred Vizetelly.

The heroine is Lisa Quenu, a daughter of Antoine Macquart. She has become prosperous, and with prosperity her selfishness has increased. Her brother-in-law Florent had escaped from penal servitude in Cayenne and lived for a short time in her house, but she became tired of his presence and ultimately denounced him to the police.

Émile Zola (1840 – 1902) was a French writer, the most important exemplar of the literary school of naturalism and an important contributor to the development of theatrical naturalism. He was a major figure in the political liberalization of France.
