Discover How You Can Ninja Your Way To Complete Wordpress Dominance In As Little As Seven Days

I'm not going to beat around the bush here. There's no way to get rich quick on the internet... but if you want to build an empire of websites that will create residual income and massive profit potential, you need to be using Wordpress. Unfortunately, installing Wordpress onto a newly purchased domain isn't going to make you rich. There are widgets, themes, plugins, and traffic to worry about... not to mention wondering which monetization method is best for you!

You can find information about each of these things scattered around the internet, but it would literally take weeks to go through it all... and when you're ready to start making money online, you want to do it now.

Who has time for all that? Fortunately, I created a system that will have your very first Wordpress website up and ready to make money in seven days flat!

I'm proud to introduce... "Wordpress Domination: Beginner To Ninja In 7 Days"

In my seven day guide to dominating Wordpress, I leave no stone unturned and no topic untouched. You'll go from installing Wordpress, to adding content, to generating traffic, all the way to making money by this time next week. With a light workload each day, you'll have time to get your first Wordpress site up and running in your spare time. After seven days, you'll have the knowledge to quickly and easily create profitable Wordpress sites... and in no time you'll have an entire army of sites making money for you 24/7!

Day One You'll find and purchase the domain name you'll be using to make money

Day Two Learn about your hosting options and choose the right host for your website Set your nameserver Install Wordpress

Day Three Setting up Wordpress Discovering your control panel Setting up your permalinks, categories, sidebar links, and widgets Finding the right theme for your website Using cPanel and FTP

Day Four Enhancing Wordpress Installing the most important moneymaking plugins Creating posts and pages Images and tag Security Search engine optimization for maximum traffic

Day Five Creating search engine optimized content Getting comments from visitors Keeping your visitors engaged and coming back for more

Day Six Monetization Becoming an expert in your chosen niche Generating loads of converting traffic Editing themes to add personality to your site

Day Seven Analytics Beating the big, bad Google Panda Conclusion

...and those are just some of the topics covered! Where Will You Be In Seven Days? If you follow the easy steps I outline in my guide, in seven days you'll be dominating Wordpress like a ninja. Your competitors will never see you sneaking up the search engines, stealing their traffic, and making their sales until it's too late!

For one low investment, you could take the first steps to complete Wordpress domination - and build your

very first moneymaking website!
