“I've only been trying to playing ukulele for about a month, can play most instruments by ear, mouth organ violin and piano but only the melodies, hopeless with chords and found the guitar most difficult with chords due to short fat digits. Bought a beginners book on the uke but found that hard to follow and most of the people on Youtube talk too much and too fast and don't talk you through the procedures. You on the other hand are easy to follow and with your lessons you can actually hear the chords sounding the same as the songs. Thank you very much and glad that you are ready to help us learners.”-**Mick C.**
