*2009 RUSA Outstanding Reference*

*CHOICE Outstanding Academic Title for 2009*

*"Given both the interdisciplinarity of the field of gender scholarship and the immense significance of gender to both individuals and societies, it is probably impossible to produce such a compendium. The editor, advisory team, and contributors are to be credited for tackling a project of such immense scope... O'Brien's commitment to the possibility of a more-informed discourse on the highly complex and nuanced topic of gender and society promises to benefit a broad readership... Highly recommended for academic libraries of all sizes and for large public libraries."*

?Booklist STARRED Review

*"All topics in this wide-ranging resource are addressed in an unbiased and unprejudiced manner, and facts are stated clearly and coherently. The coverage of changing topics is kept current. A valuable addition to any library."*
