Many who study biblical Greek despair of being able to use it routinely, but veteran instructor Rodney Whitacre says there is hope! By learning to read Greek slowly, students can become fluent one passage at a time and grasp the New Testament in its original language. Whitacre explains how to practice meditation on Scripture (*lectio divina*) in Greek, presenting a workable way to make Greek useful in life and ministry. Ideal for classroom use and for group or individual study, this book helps students advance their knowledge of Greek and equips them to read the original texts with fluency and depth.
