## CCM Certified Construction Manager Certification Exam ExamFOCUS Study Notes & Review Questions 2014 ExamREVIEW

According to the CMCI, a Certified Construction Manager CCM must meet the prescribed criteria of the CCM program with regard to education, field experience and demonstrated comprehension of the CM body of knowledge. The CCM exam is a multiple-choice exam based on the CM Body of Knowledge. These are the core competencies being covered: Project Management Cost Management Time Management Contract Administration Quality Management Professional Practice Safety & Risk Management To succeed in the exam, you need to read as many reference books as possible. There is no single book that can cover everything! This ExamFOCUS book focuses on the more difficult topics that will likely make a difference in exam results. The book is NOT intended to guide you through every single official topic. You should therefore use this book together with other reference books for the best possible preparation outcome.
