Daily Life in Civil War America James M. Volo, Dorothy Denneen Volo

The United States Civil War touched the lives of every American North and South at that time. This informative book makes extensive use of journals, newspapers, and diaries to bring together the experience of the soldier, civilian, and slave in one volume. The experiences of Billy Yank and Johnny Reb are contrasted with activities on the homefront to bring this turbulent era alive for students, teachers and Civil War buffs.

This engaging history also provides interesting details such as: what the slaves' and the freed black men and women's lives were like; how the soldiers obtained their food; how recipes were changed to accommodate food shortages; the popular books and magazines of the time; and how clothing and fashion were affected by the war. The ideas and ideals which brought about the crisis are discussed and period writings are included to provide great insight into the mindset of the time. This volume is enhanced by period photographs, lithographs and original art work, much of which has never before appeared in print.
