**Date with a Sheesha: A Russell Quant Mystery (Russell Quant Mysteries)** Anthony Bidulka  
Neil Gupta went to the Middle East looking for antique carpets. He found something equally timeless: murder. When Neil is found stabbed to death in Dubai's spice souk, his distraught father wants revenge. He hires private investigator Russell Quant to catch the killer. In his greatest case to date, Quant goes undercover to match wits with a wily museum curator, shifty souk merchants, corrupt carpet experts, and the denizens of an underground club for "fabulous" men. From the flamboyant glitz of Dubai to the scorching sand dunes of Saudi Arabia, Quant risks his life as he wades further and further into the shadows cast by the desert sun. As Russell's spicy international adventure heats up, he learns a valuable lesson about love, life, and learning to seize the moment...before it's gone. On the verge of making the biggest personal decision of his life, Russell discovers that endings sometimes come before beginnings.
