Over the past several years church leaders have seen one report after another stating that over 50% of evangelical kids walk away from Christianity as adults. Believing the best strategy for turning the tide is to strengthen families, the authors seek to challenge leaders to restore their homes as the proving ground of meaningful success.

It Starts at Home upholds marriage and family as the proving ground for lasting success. It helps recalibrate a leader's priorities by asking them to evaluate their leadership where it counts most. Experienced leaders, speakers, and pastors Kurt Bruner and Steve Stroope provide a clear purpose, an effective strategy, and a simple plan for couples, parents, grandparents, and church leaders in this movement toward intentionality in the home. (120 Day Assessment, Plan & Ideas included.) It isn't too late.
