Nyx's Pixie (A Dragon's Treasure Book 2) KM Mahoney

## A Dragon's Treasure series:

*In a world of beauty and magic, the Draak are an elite force, sworn to protect king and country. But with no wars and a king powerful enough that none want to challenge him, the life of an immortal warrior can be more dull than deadly. Until one lonely dragon finds a human mate. Suddenly, the king's warriors are falling in love one after another. Seamus, king of the Fae, would be happy for his men, if it weren't for that niggling worry in the back of his mind. It is said that a mated dragon gains abilities to protect his mate, and a dragon with a Treasure—a mate that is a dragon's perfect match in every way—is strongest of all.*

*Everything happens for a reason. If the Draak are growing more powerful, then something is coming. Whatever it is, Seamus fears it could very well destroy the harmony he has worked so hard to bring to Faerie.*

### Book Two in the A Dragon's Treasure series

*Sometimes big things come in small packages.*

Nyx has found a possible mate, but he's pretty certain Fate made a mistake. Not only is his mate working in a brothel, which is playing merry hell with Nyx's possessive side, he's also a Pixie. Pol is small and delicate, and Nyx is certain he would break the poor man within a week. Nyx will just wait until the next candidate comes around. The fact that this is the first potential mate he's come across in several hundred years is, of course, beside the point. Unfortunately, no matter how hard Nyx tries, he can't keep away. When he finds himself on the verge of turning into a stalker, Nyx gives in to the inevitable and goes traipsing off to claim his Pixie.

When Nyx comes bursting into his life, Pol is thrilled to accept the dragon as his mate. No one would call Nyx charming, yet he still manages to sweep Pol off his feet—quite literally, at times. Once the first flush of lust wears off, though, Pol begins to worry that he's made a mistake. The problem isn't Nyx. Pol is well on his way to loving the reserved dragon. But Pol is harboring a dangerous secret. A secret with the potential to upset the balance of power in Faerie...

## **About the Author:**

Born and raised in the middle of the Midwest, I have always been a dreamer. More often than not I could be found with my nose buried in a book (many of which I had to sneak past my parents). It wasn't long before I started trying my hand at writing more of the stories I loved. After years of penning tales that rarely left the hard drive of my computer, I discovered M/M romance. As with all genres, it wasn't long before my own characters started to take shape.

There is little I love more than wandering new places and, on occasion, entirely new worlds with my characters. They can range from cowboys to Victorian noblemen, accountants to shapeshifters, and everything in between. I write mainly m/m romance, usually with paranormal or fantasy elements. I willingly follow my characters wherever they decide to go, sometimes with unusual results. I have little control over their actions ? any naughty behaviour is all their doing!
