Fortunately, the authors of the phenomenally best-selling *Worst-Case Scenario Survival Handbook* series now keep parents safe, from cradle to teens. Hands-on, step-by-step instructions show you how to remove objects stuck in a child's nose or gum stuck in hair, and how to survive endless soccer games, slumber parties, and sleep deprivation. From baby-proofing the house to dealing with a dead pet, from the perils of the play-date to explaining about the birds and the bees, this essential guide tells parents what to really expect when your worst-case scenario is all in the family.
