Working Without a Net Morris Shechtman

In response to the fundamental changes sweeping corporate America, Morris Shechtman presents a cutting-edge management philosophy that challenges unrealistic, outdated approaches. Shechtman, a former university professor and psychotherapist, teaches the essential skills for adapting to a rapidly expanding corporate culture -- or any organization or situation where structure and vision are needed. No matter what your goals, here are the new rules of business that will help you generate success, including:

- * *Growth strategies that help you establish your independence from external forces and foster strength from within*
- * Powerful exercises that sharpen decision-making, relationship-building, risk-taking, and other critical abilities
- * Steps for processing -- not denying -- the inevitable anger and disappointment that follow organizational change
- * Six paradigms on professional attitudes, personal goals, and overall world views, and the interplay of personal values and leadership.

With invigorating insight and far-reaching perspective, *Working Without A Net* empowers you to face new challenges and circumstances with flexibility, confidence and self-sufficiency.
