## Zwingli and Bullinger (Library of Christian Classics)

Selections from the writings of Ulrich Zwingli and Heinrich Bullinger, two lesser-known church reformers, are contained in this volume. Also included is an account of the life, work, and theology of each of these Swiss reformers of the sixteenth century.

Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.
