Defence attorney Andy Carpenter has been successfully avoiding taking on new cases until his sometime friend and newspaper owner, Vince Sanders, calls and asks him for a favour. Daniel Cummings, Vince's star reporter, is being used as the mouthpiece for a serial killer. He has been cooperating with the police but Vince wants to make sure both the newspaper and Daniel are protected. Andy thinks the case be a piece of cake...until Daniel is found unconscious in park next to the killer's latest victim. Daniel claims he intended to stop the murder but the police arrest him. Now, with the help of his girlfriend Laurie and his partner Kevin, Andy reluctantly plunges into the case. And as he learns more about Daniel's shady background he begins to wonder how deadly the truth might be.
