**Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science)**
The 5th International Conference on Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems (CPAIOR 2008) was held in Paris, France May 20–23, 2008. The purpose of this conference series is to bring together researchers in the ?elds of constraint programming, arti?cial intelligence, and operations research to explore ways of solving large-scale, practical optimization problems through integration and hybridization of the ?elds' di?erent techniques. Through the years, this research community is discovering that the ?elds have much in c- mon, and there has been tremendous richness in the resulting cross-fertilization of ?elds. This year, we allowed submissions of both long (15 page) and short (5 page) papers, with short papers either being original work, a reduced version of a long paper, or an extended abstract of work published elsewhere. We were not s- prised by the 69 submissions in the long paper category: this is an active ?eld with many researchers. We were surprised by the 61 short paper submissions. This was far more than predicted. With 130 high-quality submissions, compe- tion for acceptance in this year's program was particularly ?erce. In the end, we accepted 18 long papers and 22 short papers for presentation and publication in this volume.

**From reader reviews:**

**Leslie Marcellus:**

The experience that you get from Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) is a more deep you searching the information that hide within the words the more you get enthusiastic about reading it. It doesn't mean that this book is hard to know but Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) giving you buzz feeling of reading. The writer conveys their point in selected way that can be understood by anyone who read the idea because the author of this guide is well-known enough. That book also makes your vocabulary increase well. It is therefore easy to understand then can go along, both in printed or e-book style are available. We highly recommend you for having this kind of Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) instantly.

**Matthew Blackburn:**

A lot of people always spent their very own free time to vacation as well as go to the outside with them household or their friend. Are you aware? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. If you would like try to find a new activity that is look different you can read a new book. It is really fun for you. If you enjoy the book that you read you can spent the entire day to reading a e-book. The book Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) it is extremely good to read. There are a lot of folks that recommended this book. They were enjoying reading this book. In the event you did not have enough space to develop this book you can buy the e-book. You can m0ore very easily to read this book out of your smart phone. The price is not too expensive but this book provides high quality.

**Gayle Oconnell:**

Why? Because this Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will surprise you with the secret this inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content on the inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of gains than the other book get such as help improving your expertise and your critical thinking way. So , still want to hold off having that book? If I were you I will go to the book store hurriedly.

**Ruth Goodrich:**

Many people spending their moment by playing outside together with friends, fun activity using family or just watching TV the whole day. You can have new activity to shell out your whole day by studying a book. Ugh, do you think reading a book can really hard because you have to take the book everywhere? It all right you can have the e-book, getting everywhere you want in your Smartphone. Like Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) which is getting the e-book version. So , try out this book? Let's notice.
