The History Of Tom Jones: A Foundling (Illustrated)

Henry Fielding

The History Of Tom Jones: A Foundling (Illustrated) Henry Fielding

Despite being abandoned by his parents, Tom Jones grows into a gallant and irresistible young man. Most of his time is spent romping through the English countryside, getting himself into all kinds of trouble with his good nature and unquenchable eye for women. After being betrayed by jealous relatives, Tom is exiled from home and must undergo a variety of trials in his quest to be reunited with his one true love and to redeem himself in the eyes of society. Filled with mischief and adventure, this bildungsroman is one of the most clever and witty novels ever written. Also included is *The Female Husband*, the previously unavailable sensationalist pamphlet about a legal case involving a transvestite.
