World Peace: The Voice of a Mountain Bird Amit Ray, Banani Ray

This is a story of a tiny mountain bird, which had a vision to change the world and bring peace on earth. Life was beautiful but war devastates everything. The story runs through her joy, pain, anguish, struggle and wisdom. For most birds life is simply eating, drinking and raising their chicks. This bird finds a higher purpose which turns to a mission in her life. Through the nightmare of war, she comes to the realization that she needs to do something for healing the soul of humanity. With the help of her guide Yashir, she follows her dream to spread peace on earth. This is a fable about the healing and raising the human consciousness on earth for peace on our planet. We are not helpless, each of us has a role and the story shows us the way.
