The Voice track concentrates on voice solutions for the enterprise and includes subjects such as Quality of Service, MGCP, Call Manager (Cisco's VoIP PBX), Cisco Unity (Cisco's Unified Messaging platform), Unity Express and IP Contact Center Express. Most candidates pass the CCIE Voice certification after three or four lab attempts, but there have been cases in which candidates pass after more than six attempts. The low passing rate is attributed to the difficulty of the exam questions as well as the lack of time to complete everything in the allocated eight hours. As such, the lab exam is as much a test of time management and planning as it is a test of technical expertise.

This self-study exam preparation guide for the CCIE Cisco Certified Internetwork Expert certification exam contains everything you need to test yourself and pass the Exam. All Exam topics are covered and insider secrets, complete explanations of all CCIE Cisco Certified Internetwork Expert subjects, test tricks and tips, numerous highly realistic sample questions, and exercises designed to strengthen understanding of CCIE Cisco Certified Internetwork Expert concepts and prepare you for exam success on the first attempt are provided.

Cisco Certified Internetwork Expert (CCIE®) is the highest level of technical networking certification offered by Cisco. Put your knowledge and experience to the test. Achieve Cisco CCIE certification and accelerate your career.

The Cisco Certified Internetwork Expert (CCIE) certification is accepted worldwide as the most prestigious networking certification in the industry. Network Engineers holding an active Cisco CCIE certification are recognized for their expert network engineering skills and mastery of Cisco products and solutions. The CCIE community has established a reputation of leading the networking industry in deep technical networking knowledge and are deployed into the most technically challenging network assignments.

The program continually updates and revises its testing tools and methodologies to ensure unparalleled program quality, relevance and value. Through a rigorous written exam and a performance based lab, the CCIE program sets the standard for internetworking expertise.
