Loose-leaf Version for Invitation to the Life Span, Canadian Edition Kathleen Stassen Berger, Susan Chuang

Edition after edition, Kathleen Stassen Berger's bestselling textbooks connect all kinds of students to current state of developmental psychology, in an engaging, accessible, culturally inclusive way. Berger's *Invitation to the Life Span* does this in just 15 concise chapters, in a presentation that meets the challenges of exploring the breadth of the life span in a single term.

The new edition of *Invitation to the Life Span* incorporates a wide range of new research, especially in fast-moving areas such as brain development and psychopathology, while taking advantage of innovative new tools for media-centered teaching and learning. But throughout, as always, the signature voice of Kathleen Berger ties it all together, with relatable explanations of scientific content, wide ranging cultural examples, and skill-building tools for sharper observation and critical thinking.

DSM 5 Updates

Available for Fall 2014 classes, this update version features new content from Kathleen Berger in response to the release of the DSM-5. This new content is integrated into the text without changing pagination or the structure of the chapters. A special DSM 5 Supplement by Berger is available for Fall 2013 and Spring and Summer 2014 courses.
