Beware and Warning!**

This book is different from other books.

You and YOU ALONE are in charge of what happens in this story.

There are dangers, choices, adventures, and consequences. YOU must use all of your numerous talents and much of your enormous intelligence. The wrong decision could end in disaster - even death. But, don't despair. At any time, YOU can go back and make another choice, alter the path of your story, and change its result.

Your best friend Tom has been in Mexico for a short trip, working on a TV report on the ancient Mayan civilization. Three days ago, he vanished without a trace. The only clues you have are terrible, haunting nightmares where Tom is killed in a Mayan sacrificial ceremony. You must find him before these nightmares become reality! Can you even trust your own dreams? Maybe someone is telepathically leading you off course so you'll never reach your friend in time! What should you do next?
