Practical Guide to Equine Colic

Practical Guide to Equine Colic

Practical Guide to Equine Colic takes a step-by-step clinical approach to the medical management of this common condition. Covering colic management and treatment from the veterinarian's first involvement through referral, surgical intervention, and long-term recovery, the book offers practical advice on managing a colic case. Designed for easy navigation, chapters are brief and fully cross-referenced, allowing the reader to quickly find and apply information in the practice setting.

The book incorporates key points, checklists, clinical tips, step-by-step illustrations, and case examples, emphasizing clinically relevant information throughout and referencing the most applicable and up-to-date literature. A companion website offers clinical cases, quizzes, and videos at www.wiley.com/go/southwood. *Practical Guide to Equine Colic* is an ideal resource for daily use in treating horses with colic, appealing to students, equine practitioners, and specialists alike.
